**PETITION TO ACCORD FILING DATE UNDER 37 C.F.R. § 1.10(d)**

S I R:

In response to the "Response to Request for Corrected Filing Receipt" dated July 7, 2004, Applicants respectfully petition under 37 C.F.R. § 1.10(d) to accord a filing date of December 21, 2001 to the above-captioned application. A filing date of December 12, 2001 was incorrectly according to the present application apparently based on the hand-written "Date In" entry of December 12, 2001 in the Express Mail Post Office to Addressee mailing label annexed hereto, bearing Express Mail Mailing Label No. EV003628174, rather than the correct December 21, 2001 date of deposit based on the stamped date appearing in the United States Postal Service postmark appearing on the annexed Express Mail mailing label.

Due to an apparent clerical error, a date of December 12, 2001 was hand written in the "Date In" box of the annexed Express Mail mailing label. It is believed and respectfully submitted that the correct date of deposit with the United States Postal Service is reflected in the stamped United States Postal Service postmark, *i.e.*, December 21, 2001. In support of this petition, it is noted that the "Utility Patent Application Transmittal Letter Under 37 C.F.R. 1.53(b)" is dated December 21, 2001 as indicated on page 2 thereof. The "Utility Patent Application Transmittal Letter Under 37 C.F.R. 1.53(b)" bears the notation "Express Mail No. EV003628174" on the first page thereof. In addition, the "Combined

Declaration and Power of Attorney for Patent Application” bears the notation “EV003628174.” It is believed that the back of at least the first page of the Specification and the back of each of the two sheets of Figures of this application included a notation corresponding to Express Mail Label No. EV003628174. It is respectfully submitted that the foregoing constitutes a sufficient showing that the number of the Express Mail mailing label was placed on each piece of correspondence prior to the original mailing thereof.

In view of the United States Postal Service postmark dated December 21, 2001 appearing on the Express Mail label annexed hereto, it is believed that a sufficient showing has been made that the correspondence was deposited as Express Mail on December 21, 2001 prior to the last scheduled pickup on the requested filing date of December 21, 2001.

Also annexed hereto is a copy of a return postcard bearing the notation “EV003628174US” and which itemizes, *inter alia*, ten pages of Specification, eleven claims and two pages of drawings.

In view of the foregoing, Applicants respectfully petition that a filing date of December 21, 2001 be accorded to the present application.

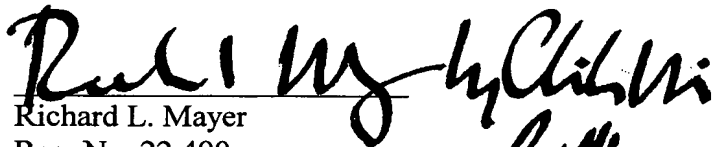

While no fee is believed to be required in connection with this paper, the Commissioner is hereby authorized to charge any fees that may be necessary in connection with this paper to the deposit account of Kenyon & Kenyon, Deposit Account No. 11-0600.

Respectfully submitted,

Dated:
